

**Title: Specialist Compliance, PSRM (m/f/d)**

Company: Mylan Healthcare GmbH

Location: Hannover

**For Us, It's A Mission**

At Mylan, we mean it when we say we work every day to provide access to high quality medicines to the world's 7 billion people. If you are unconventional, relentless and passionate. If you believe in doing what's right, not what's easy. If you are a doer and have a passion for serving others, we want to talk to you.

**Make a Difference**

At Mylan, each person has the ability to make a difference. From the providers who sell and market our products to the producers who develop and manufacture them and finally to our business partners who support the providers and producers, we all have a mission critical role.

For our **PV and Compliance Team in Hannover** we are looking for a new and motivated member for a fixed term of 15 months.

This position provides support in the establishment, maintenance and further development of the global PSRM compliance monitoring system.

**Your core responsibilities:**

- Ensure the collection and collation of compliance data from PSRM-functions and other functions (e.g. SST, Regulatory Affairs, PV OPS, Service Providers) within the agreed timelines
- Liaise with relevant stakeholders (e.g. Affiliates, Regional Leads, Regulatory Affairs) to ensure compliance is monitored for PSRM-relevant Key Performance Indicators (KPIs)
- Format and archive compliance-relevant documents according to PSRM processes and policies
- Collaborate with all PV system functions at corporate and affiliate level on obtaining metrics and non-compliance investigations within agreed timelines
- Investigate any instances of non-compliance
- Review the non-compliance documentation and the root-cause analysis provided by non-compliant functions
- Support the different stakeholders in the development of CAPA and check the same metrics over the following months in order to evaluate the effectiveness of proposed preventative actions
- Enter investigation data in relevant tools in a timely manner
- Act responsibly and independently within his/her function

**Make Our Values Your Values**

Mylan hires only the best. People who thrive in a culture of innovation and empowerment. People who are active learners and have a positive attitude. People who are leaders and know that by working together we can run faster, reach higher and achieve more. By doing so, we will continue to set new standards in health care.

Here are the minimum qualifications and essential functions for this position:

- Bachelor's degree or equivalent degree with related health science or quality background
- Good analytical skills and the ability to organize work in a logical, thorough and succinct manner
- Fluent in the English language
- Knowledge of good documentation practice and quality management systems
- Knowledge of industry best practices

- Excellent skills in using Microsoft Office applications including MS Excel, MS Access and MS SharePoint
- Flexibility to adapt to changing assignments and ability to effectively prioritize
- Good communication skills and ability to work independently and as part of a team
